## LOOKING FOR PARTICIPANTS

DIRECT FUNDING

### Wanted: New Participants

Direct Funding is an innovative program enabling adults with physical disabilities to become employers of their own attendants. Attendants assist with routine activities of living, such as dressing, grooming, and bathing. As employers, participants are fully responsible for managing their own employees within a budget that is developed on an individual basis.

Different people have different needs. Direct Funding is intended as an option suited to people with physical disabilities who are willing and able to take on the extra management responsibilities (and possible risks) of the program.

Visit [www.dfontario.ca](http://www.dfontario.ca) or call and speak to Angela Gray our Direct Funding Coordinator today! 705-698-5440.

## National Accessibility Week

May 30 - June 5, 2021

### RECAP

ILSM staff were very busy during National Accessibility week with the Boss away on holidays. We raised \$1385.00 which is more than enough to cover the cost for repairs to the door.

There are many videos to see which our staff created to highlight our programs. You can visit our website [www.ilsm.ca](http://www.ilsm.ca) or our Facebook site and you can learn more about the programs and services available at ILSM.
